

**ONCOLOGY NURSING SOCIETY
CANCER GENETICS SPECIAL INTEREST GROUP MEETING MINUTES**

DATE: Thursday, April 28, 2011
PLACE: Boston, MA, Boston Convention Center, Room 105
TIME: 3:45 PM (PT) – 5:00 PM (ET)
RECORDER: Patricia Kelly, DNP, APRN, CNS, AOCN, Coordinator

ATTENDEES: (List of attendees attached)

1. Meeting Minutes 2010 – Reviewed and approved as posted on the SIG web site
2. Introductions:
 - a. Introduced SIG staff representative, Diane Scheuring, and ONS board representative, Julie Eggert. Julie asked SIG members to consider running for a SIG office or national office. SIG officers and volunteers were introduced either in person or with the slide presentation pictures (including Jennifer Loud, Lisa Aiello-Laws, Rose Bell, Robin Stevens, Julie Eggert, Nancy Roehnel, Jacqueline Hale). Laura Beamer was introduced as the ONS Cancer Genetics SIG liaison to the National Coalition of Health Professionals Education in Genetics (NCHPEG).
3. Review of 2010 – 2011 Accomplishments
 - a. SIG Excellence Award & Celebration: Award included the following activities: membership, communiqués, newsletter articles, SIG poster, numbers of voting members (for SIG elections), virtual community activities, mentoring and leadership activities, partnering activities, genetics education, and the direct to consumer position statement.
 - b. SIG 2011-2012 Goals (handout and on the web site). Increased activity and review of cases on the virtual community. Encouraged members to increase SIG communication and case reviews.
4. Announcements
 - a. SIG members may belong to more than one SIG (at no cost). Encouraged non-member attendees to sign up for the Cancer Genetics SIG.
 - b. Welcome to SIG Coordinator Elect, Jacqueline Hale.
5. Educational presentation
 - a. Hereditary Cancers: Interesting Cases, a one hour CNE by Jacqueline Hale, RN, APN C, AOCN®, Hunterdon Healthcare System & Susan Montgomery, RN, OCN®, GCN, Fox Chase Cancer Center
