

**ONCOLOGY NURSING SOCIETY
CANCER GENETICS SPECIAL INTEREST GROUP MEETING MINUTES
APPROVED MINUTES**

DATE: Friday, May 4, 2012
PLACE: New Orleans, LA, New Orleans Morial Convention Center, Room 384
TIME: 3:45 PM (CT) – 5:00 PM (CT)
RECORDER: Jackie Hale

ATTENDEES: (List of attendees attached)

1. Meeting Minutes 2011 – Reviewed and approved as posted on the SIG web site
2. Introductions:
 - a. The meeting was facilitated by J. Hale, in-coming coordinator. P. Kelly, current coordinator, was unable to attend the meeting but would be available Saturday and Sunday for her presentation.
3. Review of 2011 - 2012 Report of Activities
 - a. Multi SIG survey – explained how results will be used and thanked those who participated in the survey. Results will be posted in the CAG SIG newsletter and on their Virtual Community.
 - b. Renewed proposed collaborative research study – expect to see surveys (online) later in the summer – stressed the importance of our input.
 - c. Announced cancer nurses involvement in supporting first ever Lynch Syndrome Awareness Day (Ilene Latimer)
 - d. Introduced visitors from ONCC – C. Miller Murphy, addressed the group, recognizing recent concerns and interest in Genetics specific oncology nurse certification. She described the certification process and parameters guiding decisions to implement certification of a specialty area.
4. CNE Program “Hereditary Cancer Syndromes: Interesting Cases”
Bridget LeGrazie, RN, MSN, AOCN®, APNG and Jacqueline Hale, RN, MSN, AOCN®, APNG presented. Slides will be available for viewing on the CAG SIG Virtual Community. The presentation prompted discussion and participation from the audience and was well received.
5. Adjournment
 - a. The meeting was adjourned at 5 PM (CT)
